Sadie: I just talked with Kate and left a voicemail for you before seeing this message. I will be in tomorrow and can stop by to briefly discuss before scheduling a time next week.

Douglas - would you please touch base with Kate and schedule a meeting on monita divide. If I'm critical to it I will be in tomorrow and I'm out all next week.

How did it go? Was there press? Also, could you please help me schedule a short meeting regarding Monita Divide UIC permit status?

Thanks
